

FAQ (Frequently Asked Question)

(I don't know the full details of everything so this is a draft. You need to go through it and put in your actual details)

Allergies

At Madni Food Products, we prioritize food safety and take food allergies seriously. While we follow strict procedures to avoid cross-contamination, our products may contain common allergens like peanuts, milk, eggs, and gluten, as they are processed in facilities that handle these ingredients. We provide clear ingredient lists and allergen information on all packaging to help customers make informed choices. Customers with food allergies should carefully review labels and consult healthcare providers if needed. For allergen-free options or further information, please contact our customer support team

Feel free to tailor the details based on your specific operations, such as the types of allergens you handle or your customer service contact methods!
